

Tobacco Use

Description

This decision pathway addresses the assessment of cigarette smoking and nicotine dependence, as well as behavioral, pharmacological, and supportive interventions that can be used in both inpatient and outpatient settings. UnitedHealthcare uses evidence-based clinical guidelines from nationally recognized sources during review of our quality and health management programs. Recommendations contained in clinical practice guidelines are not a guarantee of coverage. Members should consult their member-specific benefit plan document for information regarding covered benefits.

To Review Guidelines

Guideline Title	Sources/Location
2018 Expert Consensus Decision Pathway on Tobacco Cessation Treatment	American College of Cardiology: https://www.jacc.org/doi/pdf/10.1016/j.jacc.2018.10.027
